The clean-up of these messes, should they occur, remain the sole responsibility of the Facility Renters and must be done immediately and to the satisfaction of Building Staff.

****Clean-up must be done immediately following your event unless you have rented the Facility for the following day****

Any clean up not done to the satisfaction of the Building Staff will result in extra charges being billed to the Renter, or having the charges deducted from the Deposit. *Cleaning the facility, the day after an event needs to be arranged and paid for in advance.* Please Note: If you are hiring an outside group to clean up following your event, it is still your responsibility to ensure it is done properly. Any charges for extra cleaning will be billed to the Renter.

Important Reminders

The following page includes some tips and reminders when planning your function.

- ❖ For large events such as cabarets, weddings or anniversaries, it is best to have a dependable “Clean-up Crew” arranged prior to your function (see the POW Facility Cleaning Checklist for full details on what is required.)
- ❖ It is the responsibility of the Renter to ensure that alcohol consumption be limited to the venue rented and only during the times stated on your Liquor Permit. Drinking alcohol in other parts of the building (i.e. common areas, bathrooms) is strictly prohibited.

Please note that when confirming your facility rental:

- POW staff will need to know your event set-up requirements no less than 7 days prior to the event date (if this option has been selected at the time of booking.)
- POW staff will need to know the number, and type, of table cloths you require **at least 30 days in advance** of your event to ensure availability

- A walk-through time must be scheduled to go over the lock up instructions for the building and other important information required when renting the Facility. This walk through will include key sign-out and return information.

- ❖ As the building is not necessarily staffed for event set-up or decorating, facility renters are required to arrange these times in advance with POW Management.
If arrangements can't be made around the existing staff schedule and/or other facility rentals, regular facility charges will apply.

- ❖ Extensive set-up or rehearsals requiring extra use of the facility will need to be arranged in advance. Regular facility charges will apply.

- ❖ If your function goes over the booking time outlined in you contract, you will be charged accordingly.

- ❖ Staff is not on site outside of regular building operating hours (Monday-Friday from 8am to 4pm.) Staff will provide the Renter with a telephone number to call in case of an **emergency**. Any non-emergency related calls to building staff will result in a \$20 call out fee. Please ensure that you've made arrangements to let any individuals or groups working/volunteering at your event (bartenders, DJ etc.) into the building to avoid unnecessary call outs to building staff.
